

CREMATION OPTIONS

Personalization is not just about honoring your loved one's individuality. It also allows family and friends to feel connected to the services and the life being honored. We work closely with you and your family to get to know your loved one's life story so we can make their services as personal as possible.

CEREMONIAL TRIBUTE CREMATION: \$7590

Our Ceremonial Tribute Cremation package offers an alternative to a traditional funeral. Stories are shared and the best times of a person's life are remembered and celebrated. You are in control of the elements of the service, what is shared and who participates.

Ceremonies may take place at our facility/Family Center, a place of religious worship, the cemetery, or other community venues.

Cremation Package:

- Basic service fee for funeral director and staff
- Professional transfer of your loved one into our care (*within 50-mile radius*)
- Family arrangement conference at our funeral home
- One Certified Death Certificate (*required by the crematory*)
- Cremation Process including Permits and Authorizations (*additional permit cost may apply if outside of Anderson County*)
